## A NOTE FROM THE DIRECTORS

Welcome, all who attend this dark tale. This is a show that, while set in the city of London, reaches far beyond any single city or era. Its story questions the very foundations of our humanity, and what it means to be human in a system that attempts to strip that away. Who are we when society casts us aside?

We have had the sincerest pleasure to work with such a talented cast, and one with such dedication, passion, and definitely the biggest hearts. They bring vibrant life to the wretched and harsh world of *Sweeney Todd*. Thanks to them, our lovely production staff, as well as the incredible amount of fantastically creative and hard working technical staff, we are able to present this intricately dark and ridiculously enjoyable work of art. We hope you enjoy this experience with Scotch'n'Soda Theatre!
