## DIRECTORS' NOTE

For us, the joy of a murder mystery is being able to enter a world that is larger than life. We strove to create a space that was equal parts fun and intense, full of intrigue and hilarity, populated by heroes and eccentrics. We've been absolutely blessed with talented actors who have put 110% into bringing these characters to life, and with expert designers and implementers who have helped us create a small piece of the 1950s as it never really was.

For the benefit of those who haven't seen the show, please keep the secret of The Mousetrap to yourself!

- Will & Kai
